## Let's Practice!

Read each sentence once.

Then change the underlined portion of each sentence to make your own!

e.g. Even though I agree with your argument, allow me to play devil's advocate and share a different viewpoint.

e.g. Playing devil's advocate, I would like to raise some questions that challenge the assumptions in your proposal.

e.g. Sarah, playing devil's advocate, voiced concerns about the sustainability of the project, prompting the team to change their strategy.
