Teens shop on the internet because 'online companies don't always charge you as much money and it's easy,' says Olivia. ⁴ _____ 'For example, sometimes we go to a gaming store and try out several new games. A lot of games cost more than we **can afford**, so we wait until there's a **special offer**, when you can get two games for the price of one and that kind of thing. ⁵ _____ There's no brand new stuff on them but you can save a lot of money.'

After that, Olivia and her friends go for lunch. 'I love any healthy food, especially organic stuff,' says Olivia. 'We go anywhere that serves it – plenty of places do, but it can be expensive. After that, I don't usually have any money left!' laughs Olivia.

Maksim, Russia

Last week, I bought some really cool sunglasses from a shop in my town called Eyewear. It's a great shop that only sells sunglasses. There are a lot of styles to choose from but I chose these ones because I just loved them! There was a promotion that day and I got a 10% discount. I forgot the receipt, so I went back to get it and the assistant gave me a free case to keep them in. Great customer service!

Emily, Ireland

Mum was going to get these cute trainers for me at the end of the month, but I couldn't wait any longer, so I bought them myself. I got them from the local sports shop near my house. Several of my friends already had pink ones, but I wanted to be different. So I got some orange and blue ones! Plenty of people have asked me where I got them, but I'm not telling anyone my secret store!

JD, UK

Last week, I was at the shopping centre and I went into Soundz, which is my favourite shop. They have an online store, but I prefer to go to the shop so I can try the things on sale. You can find a lot of cool stuff there like headphones, speakers and MP3 players. I saw these great Bluetooth headphones. I put them on and listened to several songs from my phone. They were expensive, but I got a 10% discount because of a promotion. My friend is saving up for a pair now!
